Metro Hospital, Faridabad

Metro Hospital, Faridabad was instituted as Haryana's 1st dedicated heart hospital in 2002 by Padma Bhushan, Padma Vibhushan & Dr. B C Roy National Awardee, Dr. Purshotam Lal. With years, we added other key specialities and turned the single speciality unit to a multi-super-speciality tertiary care centre, which is providing the most advanced treatment facilities in the most affordable way. The Hospital is designed to provide highest level of world-class care in all major medical disciplines and support specialities.

Infrastructure

- Spread across 8 acres of land
